

AfterSchool/Summer Camp is...

a phenomenal program for children in a Christian environment/facility that instills leadership and responsibility. The staff works hard with the best school district in Gwinnett County incorporating their reading program. They also have certified staff in helping kids with their afterschool homework.

Convenient, affordable, and fun - a blessing to our family!

Thanks for all you guys do and how you've gone above and beyond for our family! I am so pleased to have you all available to watch/play/love on my precious son during those times when I can't - he loves the interaction with the other children and adults and I love that I don't have to worry about him at all while I'm at work. You all are top-notch in my book and so VERY appreciated by the families that use your services. Thank you thank you thank you to all the staff, helpers, families, and church goers/members that make Cannon Summer Camp and After School Care possible!! And a special thanks to you, Holly and Sherrye, for managing it all so well!

Cannon Summer Camp is a life saver! Working during the summer is always a challenge. Cannon Summer Camp is a quality program and I feel comfortable sending my child. Camp is safe, well organized and my daughter LOVES to go:-)

To elaborate: the counselors that I have dealt with have been very professional. They get down on the floor and play.

They Care for the kids. In summer camp the younger counselor tend to be a little more lenient, so the kids feel closer to them. They don't have the pressure of after school and dealing with homework and the drama the kids go through before they get there. On the field trips I do not worry about safety concerns. I know there are steps in place to keep these children safe. I have even tested the policies and got knocked down pretty quickly. There has never been a time that a counselor has not had a smile on their face. I can tell they have had a hard day, but the frustration is not showing. It really is a very happy, friendly place that is fun to pick the kids up from.

...a great, nurturing place for your children. Each elementary grade has their own classroom, so all the kids are the same age just like at school. I've experienced another camp where they did not have enough children to do this, and rising 3rd graders do not mix well with Middle School age. From the administrative staff to the counselors, we have seen a lot of excellence in working with our boys, and they are having fun. Thanks Sherrye and Holly for providing us with peace of mind that our children are cared for and enjoying themselves.

-2<sup>nd</sup> & 5<sup>th</sup> Grade Parent

Incredible place to send your kids for summer break! Sherrye & Holly do an incredible job hiring staff members and finding things for the kids to do throughout the summer! Our son has attended for five years and looks forward weekly to new adventures he's going to get to do.
