Get Set For School

Dear Parents,

Thank you for your interest in Cannon Church Preschool for your child's early learning experience. It is our pleasure to offer your child and family a year full of new experiences as you embark on your child's preschool journey.

These are very important years in the growth and development of your child. We strive to provide our students with a warm, safe, loving atmosphere, where they are encouraged to communicate and interact with other children and adults. We pledge to create an environment in which they are shown the joy and wonder of learning in God's world. We believe in building upon each child's uniqueness through encouragement and love to be the best that they can be. Games, stories, group times, play and creative exploration foster knowledge and skills that nurture your child's ability, curiosity and developmental level.

We hope that each child will leave Cannon Church Preschool with a solid foundation in classroom routines, successes in social and emotional growth and a consciousness of Jesus Christ. As you desire, we also hope your child will be eager and ready for their next level of education.

This is a very important decision you are making. You are invited to visit our premier school and to find out more about our mission with working with preschoolers. Please call our office if I can help by answering your questions or giving you additional information.

Sincerely,
Karen Mayes
Director
