The Walk Conference Room Led by Pastor Tim Emmett

How do we walk with Christ - daily follow him, grow in him, and faithfully serve him? Join Pastor Tim for *The Walk*, a six-session study by Adam Hamilton that focuses on five essential practices that are rooted in Jesus' own walk with God and taught by his followers throughout the New Testament. Each of these practices is part of our personal walk with Christ and is also an essential part of our walk together as a church. Join us on Wednesdays for *The Walk*! The book can be purchased through Amazon, Cokesbury or other online retailers. For more information, contact Tim at TimE@cannonchurch.org or (404) 895-1797.

Epic of Eden Room B202 Led by Pastor Heather Jallad

Let's be honest - it's just easier to study New Testament. The pre-Jesus part of the Bible can seem so convoluted with lineages, stories, and laws that Jesus came to abolish. In fact, most of what we know about the Old Testament can feel like a grab bag of people, books, events, and ideas. And usually, it's hard for us to make sense of it and understand how it connects to God's bigger story at all. In *Epic of Eden*, Dr. Sandra Richter jumps headlong into the Old Testament to clearly and powerfully communicate a history of God's redeeming grace, weaving together a story that runs from the Eden of the Garden to the garden of the New Jerusalem.
